PARAMOUNT WANTS YOUR BUSINESS

....NEEDS YOUR BUSINESS

Dear collector,

In 1964, Paramount International was founded creating the world's first public stock corporation dealing in Numismatic Material. We have always believed in the principal that that which serves the best interest of the collector and the hobby serves us best. Any business that does not hold its customers in the highest esteem is destined to eventual extinction. You, the collector, are of prime importance here at Paramount. If I or any of our staff can ever be of assistance to you, be it buying, selling or answering a question, please do not hesitate to call or write.

In the last few weeks, there have been definite signs of strengthening in the coin market. Notable have been U.S. Proof sets, gold coins and type material. Good material is as hard as ever to locate and want lists continue to come in to us at an ever increasing pace. These we appreciate and give our personal attention.

We are pleased to offer in the following pages a nice selection of United States, Canadian and Ancient Coins. I hope you will find something of interest. Please give alternates where you can as many of the pieces are one of a kind in our stock. This will improve the possibility of completely filling your order. Happy Hunting!

Numismatically yours,

Jim "Trends" Kelly
